

5 Days Chimpanzee Trekking Adventure in Gombe and Mahale National Parks

Budget: USD 2,965 pp
Mid-range: USD. 3,910 pp
Luxury: 9,500 pp

Experience

Gombe is Tanzania's smallest but most remarkable destination. Renowned for Jane Goodall's groundbreaking chimpanzee research. Hike through lush forests for intimate encounters with wild chimpanzees. Cruise the world's longest freshwater lake with stunning shoreline views. Engage with local communities and learn coastal traditions in the Kigoma region. Enjoy a morning boat safari on Lake Tanganyika, spotting birds and aquatic life.

Inclusions

- Full board accommodation in Greystoke Mahale or Gombe Forest Lodge.
- A night in Kigoma town hotel.
- Airport transfers and boat transfers.
- Chimpanzee trekking permits, government taxes, and park fees.
- Lake Tanganyika boat safari, cultural experiences.
- Professional guide.

Optional

- Nature walk, cultural village visit
- Swimming in Lake Tanganyika with a stunning sunset over the lake.
- Visit fisheries communities along Lake Tanganyika.
- Blending local heritage with global narratives of exploration by visiting Dr. Livingstone - a Scottish missionary and explorer's Memorial Museum that preserves artifacts, documents, and narratives of colonial history.
